SCHOOL Undergraduate, University of Arizona, Arizona, USA

## EDUCATION

PRESENT • **Bachelor of Science in Geosciences**, with emphasis in geophysics  
AUG 2023 • University of Arizona, Arizona, USA  
Expected graduation date: May 2027  
Previous education:  
Geosciences National Taiwan University, Taiwan  
Sep 2022 - Jun 2023

## RESEARCH EXPERIENCES & SKILLS

### Research Experiences

AUG 2023 • **Undergraduate researcher**, Undergraduate Summer  
JUL 2023 • Research Programme National Centre for Theoretical Sciences, Taiwan  
Worked with Prof. Hung-Chi Kuo on the *Potential Vorticity Invertibility for Boundary Layer in Hadley Circulation*  
JAN 2022 • **High school researcher**, High school science project Academia Sinica, Taiwan  
MAR 2020 • Worked with Dr. Wen-Tzong Liang on the *Exploration of Low-Frequency Seismic Events*

### Certificates & Workshops

SEP 2022 • **IRIS Seismology Skill Building Workshop** Incorporated Research  
JUN 2022 • Participated in the self-motivated workshop with a 99% Institutions for  
average score Seismology, Online

## HONOURS & DISTINCTIONS

### Scholarships

AUG 2023 • **Transfer Global Wildcat Award** University of Arizona, Arizona, USA  
Received 11,000 USD/year for outstanding academic performance  
JUN 2023 • **Fu Bell Scholarship** National Taiwan University, Taiwan  
SEP 2022 • Received 200,000 NTD/year for outstanding academic performance

### Awards

JAN 2022 • **Finalist**, Taiwan International Science Fair, Earth and Environmental Sciences category National Taiwan Science Education Centre, Taiwan  
Presented poster *Exploration of Low-Frequency Seismic Event*

AUG 2021 • **Gold medalist**, International Earth Science Olympiad  
Ranked second place globally in the main event

International Geoscience  
Education Organisation,  
Online
